Biographical Summary

Shmuel is a highly respected business consultant and former Economics Minister at the Israeli Embassy in London. He has held senior positions in leading banking and private businesses in Israel and served as a non-executive director in major companies, including Bezeq, Israel Chemicals and Leumi & Co. Other public service positions he has held include: Israel's Trade Commissioner to the USA, Mayor and Leader of Kfar Shmaryahu Council.

Whilst in London, Shmuel was responsible for promoting business between Britain and Israel, dealing with both countries' leading financial institutions and companies.

He was elected as Chairman of the Association of Economic Representatives in London, with unanimous support from all countries represented, including many with whom Israel does not have diplomatic relations, in testimony to the wide degree of respect he held amongst the diplomatic circles.

As Cornerstone Global Associates' first Israeli and Tel-Aviv-based Senior Consultant, Shmuel will help us on working with our Israeli clients as well as international clients working in Israel.
